

# THE EXHIBITION MADE IN LITHUANIA 2018

28-30 September 2018

„Žalgirio“ arena, Karaliaus Mindaugo pr. 50, Kaunas, Lietuva

UAB „Ekspozicijų centras“, together with the Lithuanian Confederation of Industrialists and the Kaunas Regional Association of Industrialists and Employers, invites everyone to visit the 10th exhibition of Lithuanian manufacturers MADE IN LITHUANIA 2018 and discover why our country's manufacturers are appreciated among the best in Europe. The traditional meeting of Lithuanian manufacturers with existing and potential customers, business partners will take place on 28-30 September 2018 in Žalgirio arena in Kaunas – the largest arena in the Baltic States.

The aim of the exhibition is to introduce products developed and services provided in Lithuania, to promote the consumption of Lithuanian products, to strengthen cooperation between domestic manufacturers and suppliers of relevant services and equipment.

The displays of 280 national manufacturers – leaders in their respective field – are planned in the exhibition. Lithuanian manufacturers will actively represent the main themes of the exhibition with the latest products that they have created:

## Food industry

meat and fish products – dairy products – forest goods and agricultural products, honey – bread products and confectionery – groceries – delicacies, condiments, sauces – confectionery – alcoholic and non-alcoholic beverages – herbs, food supplements – pet food.

## Light industry

textile products (fabrics, knitwear, leather, wool) and fur products, footwear, haberdashery – home textiles and fragrances – cosmetics and household chemical products – jewellery, accessories – souvenirs;

## Construction industry

modular buildings for households, constructions for greenhouses, verandas, roofs – saunas, arbours, garden houses – building insulation materials – sewage treatment equipment – fireplaces, ovens – windows – landscaping solutions – innovative household and interior products.

## Furniture

soft and cabinet furniture for living rooms, bedrooms, children rooms, dining rooms, hallways – furniture transformers – wooden garden furniture – interior accessories – mattresses.

The best products presented by the manufacturers will be awarded Gold Medals of the exhibition MADE IN LITHUANIA 2018 in the categories: Food, Light Industry, Cosmetics, Household Chemistry, Furniture and Construction Products.

We kindly invite you to take the opportunity to find out more about the production sector in Lithuania and to establish closer relationships with the companies operating in the country.

## ABOUT KAUNAS

Kaunas is a hotbed of Lithuanian cultural traditions and historical events. It is Lithuania's second city, according to its size and importance, of national, geographic and economic significance. In addition to being the city of old traditions, it is also a large science, business, industrial and cultural centre. Kaunas is open to friends and collaboration partners, and receptive to innovations and attractive investments.

⌘ Kaunas Žalgiris arena –the largest one in the Baltic States. ⌘

## THE EXHIBITION “MADE IN LITHUANIA” IS A TRADITIONAL EVENT TAKING PLACE IN KAUNAS AND ATTRACTING MORE THAN 30 000 VISITORS.

⌘ The exhibition „Made in Lithuania“. ⌘

Lithuanian products comply with the European Union quality standards, therefore they can successfully compete with products available from food and light industry markets all over the world.

⌘ The exhibition „Made in Lithuania“. ⌘

The annual growth of exports directly reflects the quality of Lithuanian products appreciated by consumers. The continuous creation of new products also contributes to expansions into foreign and local markets. The traditional exhibition “Made in Lithuania” is one of the places for their introduction to markets.

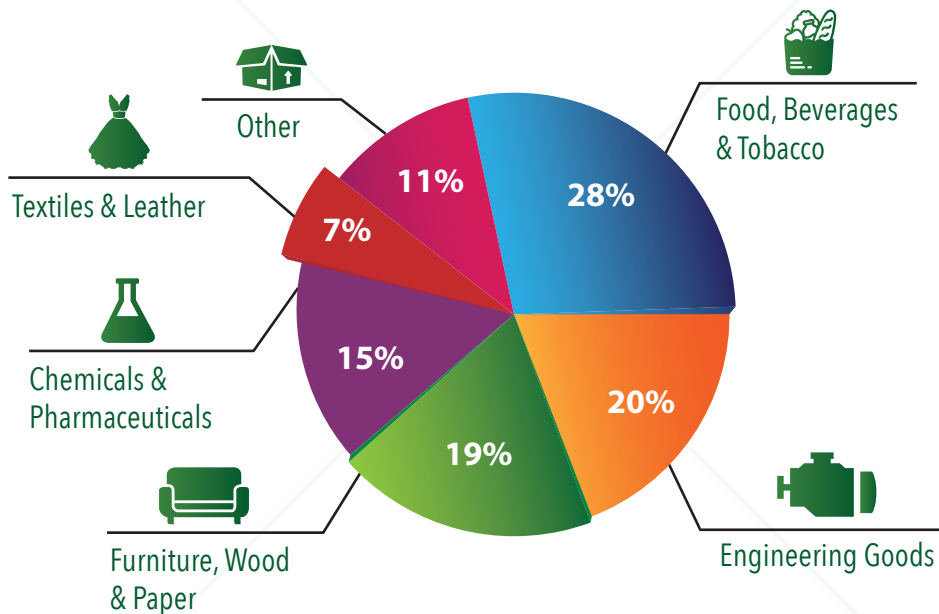

# ABOUT LITHUANIA

Lithuania is a modern, dynamic, open country with a great geographical location – it's a part of the Baltic Sea Region (generating half of the GDP of the Baltic States) at the crossroads of huge markets. Lithuania is an important transport centre of Northern Europe with an easy access to the Eastern and Western markets and the Nordic Countries. Neighbouring countries – the countries of the Baltic Sea region – are the most important business partners with which Lithuania maintains close business relationships. Lithuania is ranked 16th in the Doing Business 2018 study of the World Bank on business environment and is among 20 the most favourable countries in the World from 190.

## MANUFACTURING SECTOR OVERVIEW
